# Our Goals

## Development

To develop our players, coaches and umpires. We look for ways and resources to support our people to be great.

## Community

To engage our community, including potential members. To support new members of the community to access netball. To find ways to support growth in engagement of our existing community.

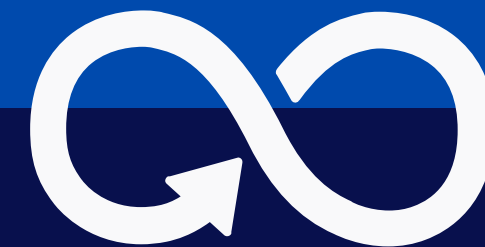

## Culture

We commit to embedding a culture and behaviours that everyone understands, agrees to and acts upon.

## Communicate

To develop our communication streams and systems to ensure every stakeholder is engaged with and understands expectations.

## Sustainability

To ensure the ongoing sustainability of the club with regards to growth, finances, longevity and positions.
